

Overall Conference Winner

The maximum number of points awarded for each event is as follows:

| | |
|---------------------|-----------|
| Steel Bridge | 20 points |
| Concrete Canoe | 20 points |
| AutoCAD | 10 points |
| Balsa Wood Bridge* | 10 points |
| Environmental | 10 points |
| Surveying | 10 points |
| Sustainable design* | 10 points |
| Technical Paper | 10 points |
| Concrete Horseshoes | 10 points |

*Can have more than 1 team from each school

The percentages of the maximum possible points for each event are as follows:

| | | | |
|--------------|------|---------------|-----|
| First Place | 100% | Sixth Place | 50% |
| Second Place | 90% | Seventh Place | 40% |
| third Place | 80% | Eighth Place | 30% |
| fourth Place | 70% | Ninth Place | 20% |
| Fifth Place | 60% | Participation | 10% |

The team that wins the “Spirit of the Competition Award” will receive 3 bonus points, 2nd place in voting will get 2 bonus points, and 3rd will get 1 bonus point.**

For example, the first place team in Surveying will receive 10 points (10*1) and the third place team will receive 8 points (10*0.8), and the eleven place team will receive 1 point (10*0.1).

The school with the most points will win the conference. In the event of a tie, a separate tiebreaker scoring will be used. All first place finishers will receive 3 points, 2nd place 2 points, and 3rd place 1 point. The team with the most points will win the tiebreaker and one half (1/2) point will be added to their overall score in order to break the tie.

**The Spirit of the Competition award is voted on by all schools at the business meeting and is based on sportsmanship, enthusiasm, teamwork, honor, and integrity.
